## TENDERING INFORMATION FOR GRAND CAYMAN

When arriving in Grand Cayman tomorrow, we will be utilizing small boats to transport you to the island shore. This is called a Tender Service, using Tender Boats. This service is provided by a local company in Grand Cayman. In order to make sure every Guest is transported safely, we suggest that you follow the Safety Guidelines below. The ship will be anchored off Georgetown.

### SAFETY INSTRUCTIONS:

1. Do not crowd in gangway areas.
2. Have your hands free to use the railings.
3. Wear comfortable, safe shoes since areas might be slippery.
4. Wait for a signal from the Crew Member in charge to board or disembark.
5. Follow instructions of the Crew Members.
6. Use any hand rails and do not jump or run while boarding.
7. Sit down while in the tender boat at all times. Do not stand up as the tender boat approaches the pier or the ship. Remain seated in your seat row until you can step directly to the boarding point without standing in line. Keep in mind that there may be sudden movements while the tender boat is along side the ship, due to the motion of the seas.
8. No smoking in the tender or in line.
9. Notify Crew Member if you have any problems or feel uncomfortable.

### ALL GUESTS

You will need your 'Key to the World' card and Photo ID (guests 18 years and older) ready as you disembark the ship. Please follow the tendering process below that pertains to you. Tenders will run continuously throughout the day from the Disney Magic to Grand Cayman Downtown Pier and back. **Last Tender back to the ship is at 4:00 p.m.**

### FOR GUESTS WITHOUT PORT ADVENTURES

Tendering will begin at approximately 7:30 a.m. with a Tender Ticket process in the Buena Vista Theatre, Deck 5, Aft. We ask that once you are ready to go ashore, collect all members of your family or group and proceed to the Buena Vista Theatre to receive your tender tickets. The crew will escort you to the next available tender as soon as it is ready for embarking. Ticket distribution will run until approximately 11:00 a.m. or until open tenders are announced, allowing you to proceed directly to a gangway on Deck 1 without a ticket. Also, a kind reminder that no open food trays or snacks are allowed in the Buena Vista Theatre, on the Tender Boats or ashore. Thank you.

### FOR GUESTS GOING ON PORT ADVENTURES

- **If your Port Adventure meets before 11:00 am:**  
Please meet at your designated excursion meeting location onboard at the time listed on your Port Adventure Ticket. Your Port Adventure Ticket will be considered your Tender Ticket.
- **If your Port Adventure meets at 11:00 a.m. or later and you are NOT planning to go ashore prior to your excursion meeting time:**  
Please meet on the Downtown Pier on the Waterfront. You should allow at least **45 minutes** for tender travel time before your excursion meeting time on the pier. An announcement will be made when tender tickets are no longer required - approximately 11:00am or when announced. Until then, please meet in the Buena Vista Theatre, Deck 5, Aft to collect a tender ticket.
- **If your Port Adventure meets at 11:00 a.m. or later and you'd like to spend the morning in Grand Cayman, then meet your excursion on the pier:**  
You may go ashore starting at approximately 7:30 a.m. Please meet in the Buena Vista Theatre, Deck 5, Aft, to pick up a Tender Ticket. You should allow at least **45 minutes** for tender travel time. Remember to meet on the pier at the specified time listed on your Port Adventure ticket.

Towels will be provided for all water-based excursions. **We kindly ask you to return them back to the ship after your tour.** All excursions will return to the Downtown Pier area, where tender service will run continuously back to the Disney Magic until 4:00 p.m.

We wish you a safe and enjoyable day.

**THE LAST TENDER BACK TO THE DISNEY MAGIC WILL LEAVE THE DOWNTOWN PIER AT 4:00 P.M. WE ENCOURAGE GUESTS TO RETURN EARLIER TO AVOID POSSIBLE LONG DELAYS FOR THE RETURN TENDER SERVICE.**

## INFORMACIÓN SOBRE EL PROCESO DE DESEMBARQUE EN LANCHAS EN GRAND CAYMAN

Al llegar a nuestro puerto de **Grand Cayman** utilizaremos lanchas para transportarle a tierra. Este proceso es denominado "Tendering" porque se utilizan lanchas llamados Tenders. Este servicio lo provee una compañía local del puerto. Para asegurar que todos nuestros Huéspedes sean transportados con las apropiadas medidas de seguridad, le sugerimos que siga las siguientes normas de seguridad.

### MEDIDAS DE SEGURIDAD.

1. Por favor, no esperar en las salidas.
2. Mantenga sus manos libres para sujetarse del barandal.
3. Utilice zapatos cómodos y seguros ya que las superficies pueden ser resbalosas.
4. Espere la señal de la tripulación para abordar o desembarcar.
5. Utilice los barandales y no salte ni corra mientras este abordando.
6. Permanezca sentado en el bote en todo momento. Permanezca sentado hasta que pueda desembarcar. Tenga en mente que la embarcación podría golpear el barco mientras los Huéspedes embarcan o desembarcan.
7. No está permitido fumar en el bote o mientras espera en línea.
8. Notifique a la tripulación si tiene algún problema o necesita asistencia.

### PARA TODOS NUESTROS HUÉSPEDES

Todos los huéspedes necesitarán la llave de su camarote llamada "Key to the World" y los huéspedes mayores de 18 años deberán llevar también una identificación con fotografía listas al embarcar. Por favor siga las instrucciones para el proceso de "tendering" que se explica a continuación, según sean sus necesidades. Las lanchas funcionarán continuamente del Disney Magic al puerto y de regreso hasta 4:00 p.m. (última lancha).

### PARA HUÉSPEDES SIN EXCURSIONES PREVIAMENTE RESERVADAS CON DISNEY CRUISE LINE:

El desembarque con las lanchas comenzará aproximadamente a las 7:30am con un proceso de distribución de billetes en el Teatro Buena Vista, ubicado en la cubierta 5. Cuando su familia o grupo esta listo para bajar a la isla, les pedimos que pasen por el teatro Buena Vista (cubierta5) para recibir sus billetes. Recuerden que tienen que esperar en el teatro para el siguiente lancha.. La distribución de billetes se extenderá hasta aproximadamente a las 11:00 a.m. o cuando el anuncio de que no es más necesario recoger los billetes sea hecho, lo que le permite bajar directamente a la salida ubicada en el piso 1. Además, les recordamos que no es permitido bajar a tierra con ningún tipo de comida cocida y frutas.

**RECUERDE QUE LAS EXCURSIONES DESPUES DE LAS 11:00 A.M. SE REÚNEN EN TIERRA, LO HARÁN EN EL MUELLE A LA HORA INDICADA EN EL TICKET DE SU EXCURSIÓN.**

### PARA AQUELLOS HUÉSPEDES CON EXCURSIONES RESERVADAS CON DISNEY CRUISE LINE

- Si su excursión tiene un horario de reunión antes de las 11:00 a.m.:  
Por favor, reúnanse en el lugar y hora indicada en su ticket.
- Si su excursión tiene un horario de reunión después 11:00 a.m. y usted no planea ir a tierra antes de su excursión:  
Por favor llegue a su punto de reunión en el muelle por su cuenta. Deberá tener en consideración al menos un tiempo de 45 minutos de traslado para llegar a tierra. (Lea indicaciones para los huéspedes sin excursiones)
- Si su excursión tiene un horario de reunión después de las 11:00 a.m. y le gustaría ir a tierra antes de la excursión, entonces diríjase al punto de reunión en el Teatro Buena Vista a partir de las 7:30 a.m.  
Deberá tener en consideración al menos un tiempo de 45 minutos de traslado para llegar a tierra. Recuerde estar en su punto de reunión en el muelle en la hora indicada. (Por favor lea las indicaciones para los huéspedes sin excursiones)

Para excursiones que incluyan alguna actividad en el agua, toallas le serán proveídas en su punto de reunión. Le solicitamos por favor traer las toallas cuando volveren al barco.

Debido a requerimientos de velocidad para llegar a nuestro próximo puerto, el Disney Magic zarpará en el horario indicado. Aquellos Huéspedes que decidan ir a tierra por su cuenta, se les recuerda que deben tomar el tiempo suficiente para regresar al barco considerando la hora de salida de la última lancha.

**LA ÚLTIMA LANCHAS CON REGRESO AL DISNEY MAGIC SERÁ A LAS 4:00 p.m.**

**LE RECOMENDAMOS REGRESAR AL BARCO ANTES DE LAS 4:00 p.m. PARA EVITAR PERÍODOS PROLONGADOS DE ESPERA.**

*An Overview of Grand Cayman*

Of the three Cayman Islands, Grand Cayman, Cayman Brac and Little Cayman, Grand Cayman is the largest and most popular island and home of the capital city George Town. Visitors flock to the island to relax and enjoy the famous Seven Mile Beach, a long stretch of soft white sand fringed by clear turquoise water, rated one of the most beautiful beaches in the entire Caribbean. It was also the very beach where they filmed Tom Cruise in the movie, "The Firm." Grand Cayman and the Caymans in general are very well known for their diving and snorkeling.

Named after the Carib Indian word for marine crocodile, Caymanians are proud of their sea-going heritage, as evidenced by the legend of "The Wreck of the Ten Sails." The story tells of a ship wrecked off the eastern coast of Grand Cayman, whose crew, in trying to warn other ships away from the reef, instead drew 9 more vessels onto it. Through the heroics of the local people, not a single life was lost. In gratitude, King George III declared the Cayman Islands forever exempt from taxes, which turned in to a billion dollar gift. There is no income tax, property tax, capital gains tax, and corporation tax, making it a very advantageous place for wealthy individuals or companies to do business. Today, tourism and the international financial industry form the basis of Cayman's strong economy and prosperity.

**Docking/Anchorage:**

Ships anchor outside the harbor, west of George Town (this is a tender port).

## An Overview of Cozumel

Cozumel is 33 miles long and 11 miles wide. It is the largest island in the Republic of Mexico. Twelve miles to the west is the mainland of Mexico, separated by a channel that is 3,000 feet deep. The Mayans have lived on Cozumel since 300 AD, and are most noted for their complex systems of mathematics, astrology and prolific city building. Cozumel was a trading center and was in contact with regions as far north as Veracruz and as far south as Honduras.

Shop for traditional handicrafts and duty free jewelry and dine in seaside restaurants seasoned with friendly local Cozumel residents. This, with lasting impressions and splashed with romantic cocktails, will leave you wanting more. This island is a refreshing getaway from the metropolitan cities. Cozumel is considered the "crown jewel" of the Mexican-Caribbean. Powdery white sands, crystal clear waters, protected environments and snorkeling or scuba diving among schools of fish is a playground away from industrial society. Cozumel is a true Mexican paradise, and receives more cruise ship guests annually than St. Thomas.

Cozumel is part of the Central Standard time zone (one hour earlier than Eastern). The language spoken there is Spanish, but almost everyone speaks some English. San Miguel is the only town on the island where cruise ships visit.

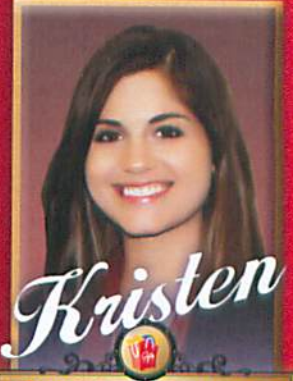

**Docking/Anchorage:** The ship can dock in one of three pier locations: Punta Langosta (downtown), International Pier or Puerta Maya Pier.

**Port Adventures:** Check your ticket for the correct meeting time and location for your tour. Your Port Adventures Team will direct you to transportation.

**RESTRICTIONS ON U.S. CURRENCY TRANSACTIONS IN MEXICO**

In September of 2010, the Mexican government enacted a law limiting the amount of U.S. dollars a Mexican business or individual may deposit into their bank account. Because of this limitation, some of the recommended stores in port may restrict the amount of U.S. dollars they will accept in settlement of your purchases. Please remember to take your credit card into port so that you may be able to take advantage of all the bargains these stores have to offer.

# YOUR WELCOME HOME LETTER

## IMPORTANT INFORMATION ABOUT DISEMBARKING THE DISNEY MAGIC®

Dear Guest,

As your cruise draws to an end, it has been our pleasure to have you onboard for the last 1995 nautical miles of this Western Caribbean voyage. This letter will detail all the information you need to know to make your final debarkation process in Galveston as smooth as possible.

### EXPRESS WALK-OFF OPTION

(SELF-CARRY LUGGAGE DEPARTURE FROM THE SHIP—PORTER ASSISTANCE IS NOT AVAILABLE)

If you would like to be the first off the ship to maximize your time in the Galveston area or get a head start for your drive home, we recommend using Express Walk-Off. Express Walk-Off allows you to take all your luggage off the ship once the ship has been cleared by the local authorities. Simply keep your luggage inside your stateroom on your last evening instead of placing it outside for collection and delivery to the cruise terminal. On debarkation morning the Express Walk-Off will commence approximately at 7:45am. Prior to that time, we ask that you wait comfortably in Rockin' Bar D on Deck 3, Forward with ALL your luggage. Once the announcement is made onboard (Approximately 7:45 a.m.), you may depart the ship via the gangway on deck 3, mid-ship. After entering the cruise terminal, you will proceed directly to U.S. Customs and Border Protection. You do not need to wait for your luggage to enter the cruise terminal and there is no need to claim it inside the cruise terminal as you will already have it with you. Please note that porter service is not available for this option. Please ensure you have your Customs Form in hand. ## Mobile Phone Explanation of rates and charges

Mobile phone service is provided by Wireless Maritime Services.

Use of this service requires a compatible wireless phone and qualified wireless service with a home carrier provider that has a roaming agreement with Wireless Maritime Services. Your home network will determine the international roaming rates you pay for usage.

Wireless Maritime Services provides CDMA, GSM voice and GPRS data service. Other service features may not be available. Voice usage is measured during the time you are connected to the system, which is approximately from the time you press the button that initiates or answers the call until approximately the time the first party terminates the call. Voice usage for each call is billed in full minute increments with partial minutes rounded up to the next full minute. Please note that some home carriers charge for messages deposited to and retrieved from voicemail while a customer is roaming. Data usage for each billing record will be rounded up to the next kilobyte and a cost will be associated with each billing record and rounded to the nearest cent.

Availability, timeliness and reliability of service are subject to radio transmission limitations caused by system capacity, system repairs and modifications, your equipment, signal strength, weather and other conditions. You will only be able to call and text message to certain countries. Other restrictions and limitations apply for service.

Both the GSM logo and the GSM letter mark are trademarks of the GSM Association. All other marks are the property of their respective owners.

Wireless Maritime Services and your home carrier are not affiliates of *Disney Cruise Line*<sup>®</sup>, and are solely responsible for the services, charges and customer service support provided to you.

## Wireless Internet Explanation of rates and charges

Depending on levels of usage and connectivity, internet speed may vary. Availability, timeliness and reliability of service are subject to but not limited to satellite connection, transmission limitations caused by system capacity, system repairs and modifications, your equipment, signal strength, weather, ship's positioning and other conditions. The Ship's positioning during the voyage may interrupt satellite connections and temporary blackouts in signal may occur.

Usage charges for wireless internet and Internet Café will be charged directly to your onboard account.

No credit will be given for unused time plan minutes. Upgrading plans is not available. Time Plan minutes can be used until you disembark the ship. The Internet Café (Deck 3, Aft) is open 24 hours.

# Disney CRUISE LINE

Keeping You  
**CONNECTED**  
At Sea

# Now you can Stay Connected on the high seas using your own mobile phone!

Disney Cruise Line®, through an agreement with Wireless Maritime Services, is pleased to provide an advanced roaming network onboard Disney Cruise Line® ships, allowing you to make and receive calls while at sea. Cell phone and wireless PDA service is available exclusively in Guest staterooms through most plans.

Pricing varies depending upon your wireless provider and usually includes International roaming charges. International roaming charges will be conveniently billed to you by your home carrier.

To avoid unwanted costs associated with data downloads and to get the most out of your vacation, we recommend turning off your wireless devices.

For 911 emergencies please call from a shipboard phone. Do not call 911 from cellular phones while onboard.

## How Mobile Phone Service Works

The mobile network on *Disney Cruise Line*® is accessible by most mobile phones. You must have service with one of the more than 340 carriers worldwide that have a roaming agreement with Wireless Maritime Services. Not all prepaid phones are currently supported.

This service becomes available when the ship is sailing out of range of land-based mobile phone networks (approximately 8-12 miles out to sea). When the ship is in port, you can connect to local roaming networks as permitted by your home carrier. Your cell phone may display, "cellular@sea", "NOR-18" and "901 18" when roaming on the WMS system. For CDMA customers like Verizon Wireless and Sprint, the display may show "Digital roaming". Depending on your service, you may also be required to select "Roam" for your service to work.

### Calls to USA, Canada and the Caribbean

Dial 1 + area code and number just as you would at home. If you are a Verizon Wireless, Sprint or Alltel customer, your phone must be set to "Roam." Please check your phone settings.

### Calls to Other Countries

Dial "+", the country code and the full number (Verizon Wireless/Sprint users dial "011", the country code, and the full number).

### GPRS Data Service

If your home carrier supports GPRS data service, you can use mobile phone service with compatible GPRS data capable devices to check email, surf the web, and share photos while traveling just as you would at home. Charges will be conveniently billed to you by your home carrier.

### Checking Voicemail

Most users will be able to check their messages by pressing and holding the "1" key. Please note that some home carriers charge for messages deposited to and retrieved from voicemail while a customer is roaming. Please contact your home carrier customer service with any questions about using your voicemail.

### Text Messaging

If your home carrier supports GSM, text messaging service is available on compatible GSM devices. Address your text message to your North American number with 1 + area code and number. International roaming charges apply for most text messages.

## Charges, Billing, and Customer Service

Rates for usage of your cellular phone are determined by your home carrier. Please note that calls to 800, 888, 866, and 877 numbers are not toll free. You will be billed by your home carrier for your International roaming usage on your regular mobile phone bill. It can take up to 60 days for charges acquired while using your mobile phone at these times to appear on your phone bill. For more information, please contact your home carrier customer service.

### Questions?

Please note that *Disney Cruise Line*® Cast and Crew do not have access to your service information or billing records. Actual service availability depends on home carrier participation and service permissions. For questions about your service or about billing, please contact your home carrier customer service.

The WMS mobile network — [www.cellularatsea.com](http://www.cellularatsea.com) — is accessible by most mobile phones supporting both GSM and CDMA technologies. CDMA users should ensure their phone is set to allow roaming.

## WMS has over 400 roaming agreements around the world allowing more Guests and crew to stay connected at sea.

WMS currently provides roaming services to hundreds of telecommunication carriers worldwide. This list includes but is not limited to the following carriers:

Customized to your preference, our therapist will use deep tissue techniques or gentle strokes to melt away your tension and soothe your muscles into sweet oblivion. 50 minutes or 75 minutes

## Thai Herbal Poultice Massage

This energizing, rhythmic massage utilizes scented herbal poultices that are heated and applied to the body at pressure points to relax the muscles and release tension. Your therapist then follows with an array of Eastern and Western massage techniques and acupressure movements combined with essential oils that will take your body on an exotic journey of total renewal. 75 minutes

## Elemis Aroma Stone Therapy

This indulgent and therapeutic massage uses the power of touch and aroma with heated Basalt stones to soothe away stiff and sore muscles. In Polynesia it is believed that the river rocks harness the healing power of the water that flows over them. As your therapist massages your body with the stones, you will believe they are right. 50 minutes or 75 minutes.

## Ionithermie Cellulite Reduction Program

Combining 21st century technology with specially selected sea-algae, you will experience both the firming and toning of the body with this revolutionary treatment. Using galvanic and faradic stimuli, products rich in sea vegetation are propelled into the fatty areas of the body to help drain fluids from the trapped fat cells and smooth away the puckered appearance. 50 minutes.

## Elemis Aroma Spa Seaweed Massage

The power of aromatherapy is combined with the riches of the ocean in this deeply warming and detoxifying therapy. A heated seaweed mask containing a warming blend of essential oils is applied to your body before you are cocooned in a soothing wrap. Relax weightless in a foil wrap while the active ingredients work to ease arthritis, fatigue and promote internal cleansing. Choose from Cellutox to detoxify or Musclease to soothe sore muscles. Your treatment is completed with either a half or full body massage. 75 minutes or 100 minutes.

## Fire and Ice Manicure and Pedicure

Your nails are one of your most important accessories, so keep them beautiful with these invigorating treatments that will warm your spirit and cool your stress. Using a combination of therapeutic cooling gels and the warmth of massage with a heated stone, your skin will be smoother and your nails will be nourished and polished to perfection. 50/60 minutes

## 14 Day No Chip Manicure and Pedicure

No drying time. No chipping. No smudging. This tough as nails manicure uses a Shellac coating instead of regular polish, resulting in tremendous shine, depth of color and perfect finish. It also provides excellent 14 day wear and comfortable protection. Once the Shellac coating has been applied, you are free to go about your day to flaunt your gorgeous nails! 25/45 minutes

## Relax in the Rainforest, a Disney exclusive!

Before your treatment or as a relaxation experience in itself, we recommend a tropical escape to the onboard Rainforest. This Arabian inspired thermal suite is complete with intimate sauna and steam grottos and tropical rain showers. A little time in the Rainforest onboard can improve your circulation, metabolism, stiff and sore joints and also help clear your sinuses. It will also melt your worries away. Daily and weekly passes are available.
