

Voyager of the Seas®

Security Guide

The United States Government requires cruise lines which operate in United States waters to provide certain information to their guests in the form of a Security Guide.

The safety and security of our guests and crew is our highest priority. Allegations of crime, missing person reports and medical emergencies are taken seriously and we are committed to responding in an effective and caring manner for those involved. Each of our ships is staffed with dedicated security and medical teams to respond to alleged crimes and medical situations, respectively. They are onboard, on duty and available at all times.

Should you become aware of someone being injured or of unsafe or possibly illegal behavior during your cruise vacation, it is very important that you immediately report this to the ship's management. This may be done by calling the ship's emergency telephone number listed in the directory of services in your stateroom; or by calling or going to the Guest Services / Guest Relations Desk. If you do not immediately report an injury or unsafe/illegal behavior this delay may cause ship's personnel to be unable to effectively respond to the situation and unable to properly preserve information or evidence that could assist law enforcement's investigation and prosecution of those responsible.

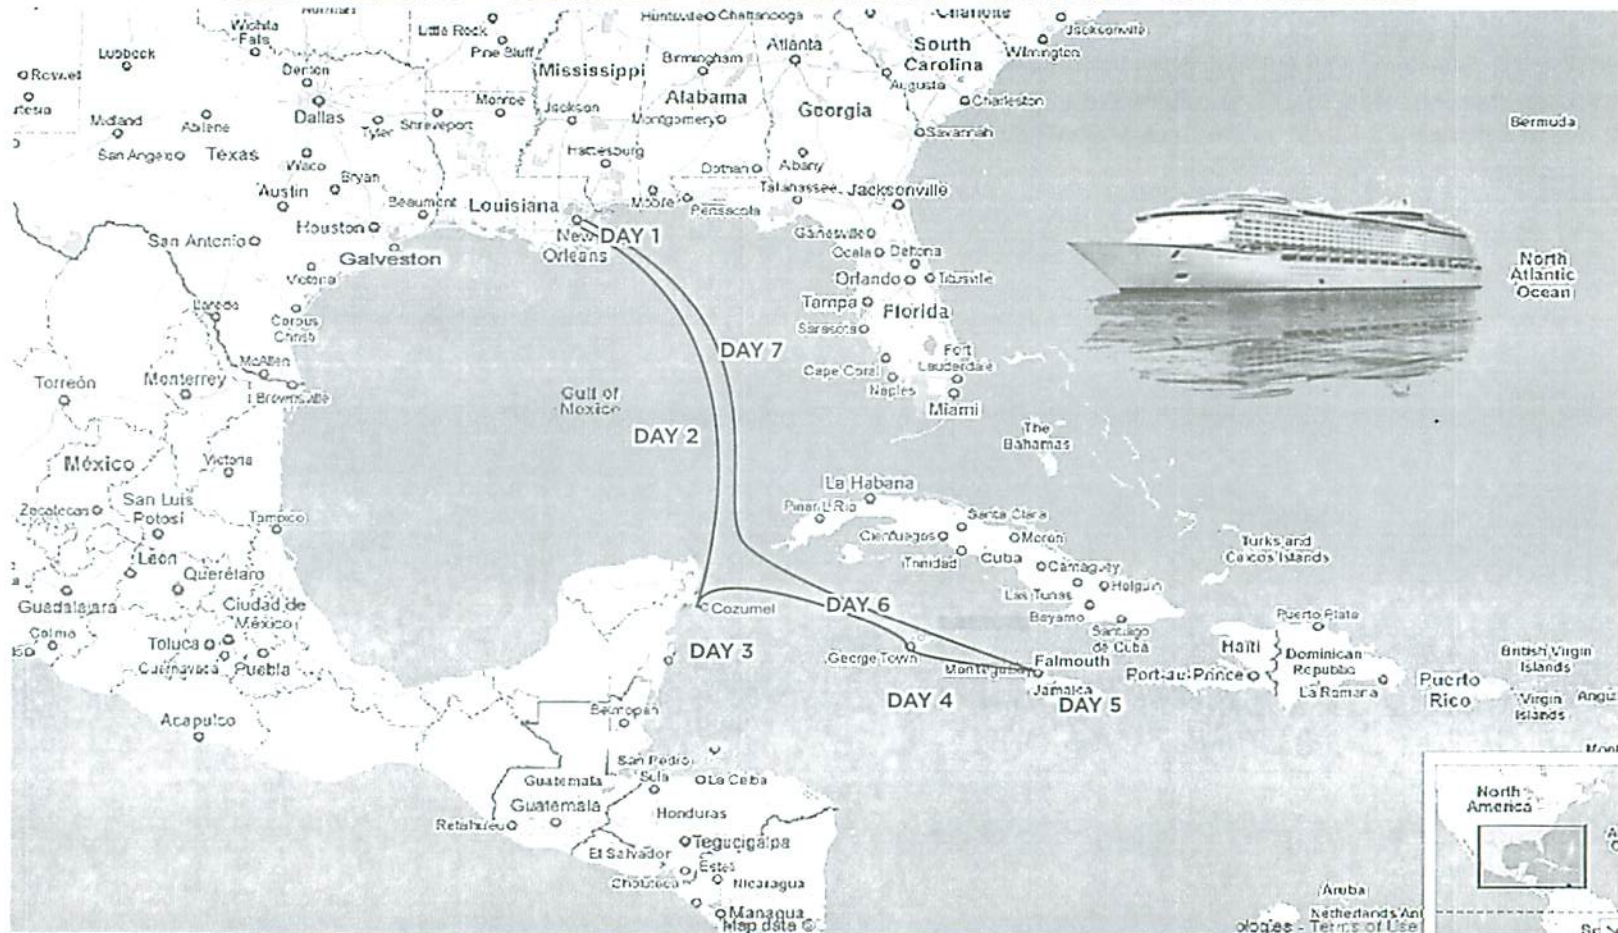

As a company, we report crime allegations to law enforcement so they can investigate and prosecute to the fullest extent of the law, regardless of where in the world the ship is located at the time of the incident. Crime allegations are reported to law enforcement officials in the next port of call, as well as to the nation where our ships are flagged. We also report allegations of crime to the Federal Bureau of Investigation (FBI) and United States Coast Guard (USCG), in compliance with United States laws.

According to United States federal law, on international voyages that embark or disembark in the United States, Royal Caribbean Cruises Ltd. (and other cruise lines) is required to report onboard felonies and missing United States nationals to federal agencies. For a missing United States national and all serious felonies (homicide, suspicious death, kidnapping, assault with serious bodily injury, sexual assaults as defined by federal laws, firing or tampering with the vessel, or theft of money or property in excess of \$10,000) the incident must be reported to the FBI by telephone as soon as possible, to the United States Department of Homeland Security electronically and to the USCG in writing. These requirements apply to onboard incidents that occur while the ship is in United States territorial waters, or on the high seas or in foreign waters if the victim or perpetrator is a United States national. The FBI can assert criminal jurisdiction in all of these circumstances. Each of the nations visited, as well as the vessel's nation of registry, may also assert jurisdiction and impose additional reporting requirements.

United States law also requires us to provide you the following information. For cruises embarking or disembarking in the United States, you may independently contact the FBI or USCG for incidents arising any time during the voyage. For incidents within state or foreign waters or ports you may, in addition, contact local law enforcement authorities. Contact information for these entities, along with contact information for a third party victim advocacy group and the locations of United States Embassies and Consulates for the ports we plan to visit during United States oriented voyages, is being made available to you. If you need assistance in locating this information or if you find this information has changed since publication or is incorrect, please contact onboard Guest Services / Guest Relations immediately.

Frequently Asked Questions

Why do I have to activate my SeaPass and how do I do that?

The *Voyager of the Seas* works on a cashless sales system. Think of your SeaPass card as your onboard charge card. You can activate your SeaPass account linked to your credit card or on a cash basis. Parents are responsible for any purchases made by their children during your cruise vacation. If you require any cards to be deactivated, please see our staff at Guest Relations Desk, Deck 5. Cards should be kept away from cell phones, money clips & other magnetic devices that could demagnetize the card. Please be advised that all credit and debit cards are approved on a daily basis.

When will my stateroom be ready?

Your stateroom will be ready at 1:00 pm. In the meantime, a delicious lunch buffet is served in the Windjammer Café, Deck 11, from 11:30 am - 3:30 pm. Café Promenade also serves light snacks. The Sky Bar, Deck 12, the Pig & Whistle Pub, Deck 5 and the Aquarium Bar, Deck 4 are open from noon. Please note: Our Beverage Services are restricted by Local Customs Regulations while in port/local waters. This restriction ceases once we reach international waters.

What time will my luggage arrive to my stateroom?

Due to the high volume of luggage handled during the boarding process and due to terminal layout and security procedure, we will deliver luggage up until 9:00 pm. If your luggage has not arrived by this time, please contact Guest Services at the Guest Relations Desk, Deck 5.

How can I get my dinner seating changed?

Your seating arrangements are printed on the front of your SeaPass card. Our Restaurant Operations Manager will be available for table or seating request changes from noon - 3:30 pm, La Bohème Dining Room, Deck 4.

Adventure Ocean Children's Program

For all those families with children ages 3-11, Adventure Ocean is open from 1:00 pm - 3:30 pm for viewing and questions.

What security measures does this ship have?

To prevent unauthorized persons from boarding the ship, please have your SeaPass card ready to present to the Officer at the gangway to swipe through our SeaPass system when you go ashore and return to the ship. On occasion, you may be asked to open your handbags or parcels. This extra security measure is a demonstration of our concern for all guests' safety. Please do not agree to take packages onboard for people you do not know.

Do I have access to a safe? How do I use it?

Each stateroom features a safe and instructions for use are posted next to the safe. Your Stateroom Attendant can also explain how to use the safe. If you should encounter any problems using your safe, please contact Maintenance by dialing 1800.

How do I book shore excursions?

Order Form and drop it in the Drop Box at the Explorations! Desk. Your tickets will be delivered to your stateroom.

What are my options should I need to make a telephone call?

Dialing instructions for your stateroom telephone are in your Cruise Services Directory. No charge for calling stateroom to stateroom. Simply dial the 4-digit stateroom number. External calls/collect calls and calling cards are charged at \$7.95 per minute billed to your SeaPass account. You may also be able to make/receive calls/text messages using your own mobile phone. International roaming charges will be charged by your home carrier.

How can I get a wake-up call?

From our Medical Facility!

Medical experts tell us that the best way to prevent colds, flu and gastrointestinal illnesses is to simply wash your hands thoroughly with soap and hot water after bathroom breaks and again before eating anything. The Medical Facility is open daily from 8:00 am - 11:00 am & 4:00 pm - 7:00 pm.

I need two twin-size beds, but there is only one queen-size bed (or vice versa).

CHARLES TEIGE, CAPTAIN

Captain Charles Teige was born and raised on the small island of Nerlandsoey, just off the west coast of Norway. As with many Norwegians, he heard the call at an early age and began his career at sea when he was 18. After a friend talked him into working on cruise ships, Captain Charles signed aboard Royal Caribbean International's *Nordic Prince* for one contract in 1992, before returning to school to complete a Bachelor's degree in Economics. Following school, he joined the *Sovereign of the Seas* and was also heavily involved with the new building projects of the *Splendour*, *Radiance* and *Brilliance of the Seas*. He was in command of the *Serenade of the Seas* before he joined the *Enchantment of the Seas* as the Project Captain in the lengthening and revitalization project. The *Enchantment of the Seas* was cut in half and a new section or 'mid-body', which is 22.2m long (73 feet), 32.2m wide (106 feet), 44m high (144 feet) and weighs 2,666 metric tons (2,939 tons) was inserted. After being in command of the *Liberty of the Seas*, Captain Charles is pleased to call now the *Voyager of the Seas* his new home, and welcomes you aboard for the cruise vacation of a lifetime.

KEITH WILLIAMS, CRUISE DIRECTOR

Born in New York and raised in Southern California, Keith was a Musical Theater major at United States International University in San Diego. His credits include many of the standard musical theater repertoire including such classics as, "Westside Story", "Hello Dolly" and "Oklahoma" to name a few. Keith also performed for 3 years in one of Las Vegas' longest running productions – the Donn Ardan spectacular, "Jubilee". Looking for a change, Keith found what would be the start of a love affair with the sea. Joining his first ship in 1989 as part of the production team, he has been sailing ever since. Keith joined Royal Caribbean International in 1997, and has had the pleasure of sailing on many ships within the fleet. As your Cruise Director, it is Keith's hope that the entertainment, activities and music will enhance your cruise vacation experience. Welcome aboard!

KAI MATSSON, CHIEF ENGINEER

Kai grew up in Karlskoga, Sweden. When he was a teenage boy he decided to go work at sea, the same as his father did at a young age. Since a very young age Kai was particularly interested in different kinds of machinery thus he wanted to "work below" on the ship. Kai's first marine assignment was on 1982 as a junior engine man on a Swedish merchant cargo ship. In 1985 he decided to go back to school and got his degree in marine engineering at Chalmers University in Gothenburg. From 1988 he worked as 2nd engineer and 1st engineer and later on 1994 as Chief Engineer for different Swedish and Finnish shipping companies. On 1989, he moved to Finland and now lives in a very small island in the archipelago outside Turku. Kai joined Royal Caribbean International in 2003 onboard the *Empress of the Seas*. On 2006 he was offered to be a member of the startup team for the building and delivery of the *Freedom of the Seas* in the Turku Shipyard. In 2007 he went back to the yard to review the construction drawings for the *Oasis of the Seas* and from 2008 he sailed onboard *Liberty of the Seas*. He is now proud to be the Chief Engineer onboard the *Voyager of the Seas*.

Voyager of the Seas®

December 26, 2011

Dear *Voyager of the Seas* Guests:

I am writing to provide you with information regarding how best to deal with colds, flu, or gastrointestinal illness. During our sailing, a number of guests onboard have experienced gastrointestinal illness, which is commonly caused by Norovirus.

Noroviruses are a group of viruses that cause people to experience a short-lived "Stomach flu" or gastroenteritis. Symptoms of Noroviruses include vomiting, diarrhea, abdominal cramps, headaches, and a low-grade fever. According to Public Health Officials, Noroviruses affect millions of individuals each year. In fact, the only illness that is more prevalent is the common cold.

Medical experts tell us that the best way to prevent colds, flu, or gastrointestinal illnesses, such as a Norovirus, which can be transferred easily through person-to-person contact, is to simply wash your hands thoroughly, with soap and warm water for at least 20 seconds, after restroom breaks and again before eating anything.

Like you, we take all health matters very seriously. Your health and safety, and that of our crew members, are our highest priorities. To assist in maintaining our high health standards, we have implemented enhanced cleaning procedures, as recommended by the Public Health Authorities. You will likely see some of these activities as our sailing proceeds.

Should you experience symptoms such as nausea, vomiting or diarrhea – commonly associated with a gastrointestinal illness – we strongly encourage you to contact the ship's medical facility for a complimentary consultation and treatment if necessary. As always, our medical staff is available to assist you with any questions. A simple conversation with one of our doctors or nurses may resolve any concerns.

We sincerely appreciate your cooperation and assistance. Please let us know if there is anything we may do to make your cruise more enjoyable.

Sincerely,

Captain Charles Teige
Master

DAY 1 Saturday, December 24, 2011

YOUR ADVENTURE BEGINS NOW.

You have just embarked on a journey like no other, where all conventions of cruising—as you know it—have been cast away. As you get acquainted with the ship, you'll find that Voyager of the Seas is filled with unexpected surprises. In fact, you may not want to waste a single second more. There are mountains to climb and valleys to golf, all onboard this very ship. But if you'd like to take a breather before you begin your adventure, then read on for helpful tips...preferably with a piña colada and a view of the ocean.

1. Adventure Ocean and Teen Open House

Here's where the kids have fun. Come explore our youth facilities and get a youth program overview of all the fun, games and adventures we offer during this cruise vacation.
1:00 pm - 3:30 pm, Adventure Ocean, Deck 12

2. So Much to See, So Much to Do Onboard

Not sure where to dine tonight? What show to see? What new activities to try? What spa package to book? Come to our special Planning Event and leave it to us. We'll help answer all of your questions, so you can make the most of your time onboard.
2:00 pm - 3:00 pm, Casino Royale, Deck 4.

3. Holiday Caroling

Join your Voyager of the Seas family for an evening of caroling to sing in the Holiday Season. 11:00 pm, Royal Promenade, Deck 5.

Get Into The Swing Of Things

- Read on...cover to cover. You'll find everything you need to plan out the day in your Cruise Compass and all about our specials in your Cruise Specials and more.
- Unpack later. The best way to get familiar with the ship is to start exploring. There's lots to see!
- Watch TV or maybe just RCTV. That's where you can check on the weather, learn how to play blackjack, and even book your shore excursions.
- Find other people that share your interests. Stop by the Guest Services on Deck 5 and post your card on the Community Bulletin Board.

GET ENTERTAINED

Look inside for today's show schedule.

ENVIRONMENTAL TIDBIT

The Save The Waves® program is designed to reduce waste, save energy and leave as little of a footprint behind. What can you do to help? Simple things like recycling onboard and re-using your towels can make all the difference.

WHY NOT go in a stranger, and come out a local? On Royal Caribbean International, it doesn't take very long to feel right at home.

PROGRAMS ONBOARD

MY TIME DININGSM

It's like your favorite restaurant at home. With My Time Dining, you have the flexibility to dine whenever you want, from day to day. So, if there's a show you want to catch, or your excursion runs a little late, My Time Dining lets you adjust. And, just like at home, making a reservation ensures that you won't have to wait to be seated - especially on Days 1 and 2, our busiest days. Sign up at the My Time Dining Reservation Desk on Deck 5, or dial extension 5000 from your stateroom from Noon - 3:30 pm.

EXPLORATIONS

The best part about traveling is being able to do things you can't do back home. It's not everyday you can zip line across a mountain. Or swim with a Dolphin, climb waterfalls, drive an underwater scooter - James Bond style. Or swim and snorkel with stingrays, explore Mayan culture or ride a horse. You'll get an experience of a lifetime... and bragging rights, naturally. Get all the details for these-and many more-shore excursions at the Explorations. Desk on Deck 5, or channel 15 on your TV or on RCTV in your stateroom.

CRUISING TO NEW LEVELS OF ENJOYMENT

We're flattered. And deeply appreciative. After all, you chose us. If you enjoy cruising, why not discover the benefits of Crown & Anchor Society membership? Enrollment is free. You'll earn one Cruise Point for every night you stay with us, plus double points when you purchase a suite. See your Loyalty & Cruise Sales Team on Deck 6.

VITALITY HEALTH & WELLNESS PROGRAM

Looking for balance? Awareness? Dare we say...enlightenment? Continuing your fitness regime onboard? The Vitality program is designed to encourage a healthier lifestyle, from eating right to staying fit. Look for the icon  denoting healthy menu options, adventurous shore excursions, fitness programs and wellness workshops.

ADVENTURE OCEAN[®] YOUTH AND TEEN PROGRAMS

Vacationing with the kids? Chances are, you won't be seeing very much of them! The Adventure Ocean Youth and Teen Programs features non-stop fun for all age groups. Kids 3 to 11 will have a blast doing science experiments, Wacky Olympics, scavenger hunts and more! Teens 12 to 17 will have a great time hanging out in their own onboard spaces, and taking part in our great teen activities.

ROYAL BABIES & ROYAL TOTS

Even the youngest guests (6 months - 36 months) can dare to explore new horizons. Or in this case, new toys. The experts at Fisher-Price[®] have designed interactive activities, as well as a toy lending program.

CLUB ROYALE

Maybe you're a serious player. Or maybe you just love the energy at the craps table, or even at the slots. Either way, there are perks to becoming a Club Royale member. Aside from getting cash rebates on your play, you can get discounts towards your next cruise and invitations to private tournaments and events. Just start playing, and if you qualify, you'll be invited to join this exclusive loyalty program.

EXPLORER ACADEMY

Just think-a week from today, you could be wowing your friends back home with your new salsa moves and poker skills. Where else can you learn how to ice-skate and make your own jewelry...all in the same day? At the Explorer Academy, that's where.

SEATREK SCUBA

Explore the Caribbean from a different perspective...30-some feet below the surface. Teeming with tropical sea life, the Caribbean holds some of the most vibrant coral reefs in the world. With the right gear and training, you can see it all, front row center. Ask about our PADI Scuba Diving courses onboard.

AND A NEW CHANCE TO MAKE IT YOUR OWN.

Today, *Voyager of the Seas* continues on course, underway at approximately 19.5 knots. Your cruise vacation is in full swing. You've had time to settle in and explore the ship from aft to bow. And now, you've got a whole new day ahead. You can be as active or as laid back as you want to be. Get a workout and a suntan on the jogging track. Play miniature golf. Play Bingo. Play like you're twelve all over again. Or just sit back and relax. At the Voyager Day Spa. At a wine tasting. On a chaise lounge on the top deck at sunset. Come evening, you can catch a show, enjoy live music, or try your luck in Casino Royale. After all, it's your vacation.

DAY 3 Monday, December 26, 2011

FEEL THE WARMTH OF COZUMEL.

Cozumel has always been many things to many different people. For the Maya, it was a spiritual sanctuary, a sacred shrine. The Spanish Conquistadors believed it to be a gold mine, literally. And for the 17th century pirates, Cozumel was a base of operations. Even today, the island has many faces—a diver's dream, a shopper's paradise, an archeologist's playground, and a vacationer's haven.

With so many options, where do you begin? The ancient Mayan city of Tulum is not very far from the port and certainly worth the trip. The azure waters are ever so tempting, whether you go on a deep-sea fishing adventure, a snorkeling excursion, or just admire the view from the white sand beaches. And of course, Cozumel's many duty-free shops, delicious restaurants and lively bars are always a great way to get the full Mexican experience.

SHOP, DINE & ENJOY YOURSELF

- Practice rolling your R's. The Mexican people are known for their hospitality. Especially when you try to speak the language.
- Bring an extra shopping bag. Cozumel is a shopper's paradise. For the best buys, try the shops along the waterfront, the crafts market and Punta Langosta Pier.
- Have a margarita. On the rocks. With or without salt on the rim. Accompanied by a mariachi band. Anyway you have it, it'll be the best you've ever had!
- Try an authentic burrito. Here in the Yucatan, many of the dishes use the same local ingredients once used by the Maya. Absolutely delicious!

Back Onboard

- 70's Song Tribute**
Donna Summers. Marvin Gaye. All the great classics of an ever-so-classic era. Come sing along with Royal Caribbean Singers, Sharelle & Jordan. 10:15 pm, Royal Promenade, Deck 5.
- Disco Inferno 70's Street Party**
Come and join your Cruise Director Keith and the Cruise Director's Staff - don't miss the chance to boogie down, do the hustle and shake your booty. Must be that night fever that gets this party rockin' the boat.
10:30 pm, Royal Promenade, Deck 5.

GET ENTERTAINED  Look inside for today's show schedule.

FAMOUS FIRSTS

Not only the first, but also the one and only of its kind. No wonder the ice skating rink at sea quickly became a crowd pleaser on all Voyager, Freedom, and Oasis class ships.

WHY NOT finish last? It's your vacation. Take all the time in the world to slow down, relax and pamper yourself.

DAY 4 Tuesday, December 27, 2011

DISCOVER THE MANY RICHES OF GEORGE TOWN

Whether you're diving the world-famous Cayman reefs or perusing the duty-free shops, you're sure to find an array of riches in the Cayman Islands. Today, we'll be arriving in Grand Cayman, the largest of the three islands that together form a self-governed colony under Great Britain. Columbus once called the island trio "Las Tortugas," after the turtles he found living off shore. And after that, the islands were known as the Caimanau, which is the Carib Indian word for "crocodile" used to describe the native iguanas.

The turtles, iguanas and even the stingrays are still the most popular residents. Visit the Turtle Farm and interact with these magnificent creatures. Or take an unforgettable snorkeling trip to Stingray City. If you dive, head to the wall; you'll be in awe when the coral reef suddenly drops down into the depths of the ocean. Prefer to stay on land? Relax on the white sands of the Seven-Mile Beach, or stroll through town and see the Conch Shell House, made entirely of mollusk.

Get A Taste For The Islands

- Grab a mask and snorkel. You won't want to miss this underwater paradise, considered one of the best dive spots in the world.
- Send a postcard from Hell. Here's something to write home about. This famous Cayman village with an interesting name has its own gift shop and post office.
- Don't forget the cake. Available in an assortment of flavors, the rum cakes are absolutely delicious and make wonderful gifts. Tortuga and Captain Rackham's are the most popular brands.

Back Onboard

- 1. New! Family Fun Hour**
Get your dancing shoes on and get ready for Family Fun Hour, 60 minutes music, games and activities that all add up to tons of fun for everyone. Families team up and show off their skills in hilarious dance challenges. 7:15 pm, The Vault, Deck 3.
- 2. 60 Seconds or Less Game Show**
Get ready for 60 Seconds or Less, an outrageously funny game of beat the clock hosted by the Cruise Director Staff. Cheer on contestants as they complete a physical challenge using ordinary household items—in not-so-ordinary ways! Join us at 8:45 pm in Cleopatra's Needle, Deck 5.
- 3. Late Night Comedy**
Milt Abel can sure make you laugh. And who doesn't like to laugh? Come join us for a hilarious act sure to get a few chuckles. 11:00 pm, Las Scala Theatre, Decks 3 & 4.

GET ENTERTAINED

Symptoms of Norovirus include an upset stomach, vomiting and diarrhea. According to the United States Centers of Disease Control and Prevention, Norovirus affect 23 million Americans on land each year, in fact, the only illness that is more prevalent is the common cold. Should you experience any gastrointestinal illness, please visit the ship's medical facility.

DAY 5 Wednesday December 28, 2011

WELCOME TO COLONIAL FALMOUTH, THE CARIBBEAN'S GEORGIAN-STYLE GEM.

Once a major port in the 18th and 19th centuries, this Jamaican town grew incredibly wealthy off of sugar production. Ships laden with sugar and rum would leave for Britain daily, just as others would arrive with slaves. It was an age of prosperity and sophistication, marked by the splendid Georgian-style "Great Houses" still perfectly intact today. On the other hand, it was an economy entirely dependent on the slave trade—an age of inhumanity overshadowed by great fortune. All that came to an end with the Emancipation in 1840, and today, it's as if time stands still in colonial Falmouth.

STEP INTO THE RHYTHM

- Take it easy. You're in Jamaica mon. Time to seriously slow down.
- Listen to the reggae. Bob Marley fan? Who isn't! Learn about his legacy, and maybe even find a rare album to add to your collection.
- Have a cup of Java. And while you're at it, buy some extra Jamaican Blue Mountain Coffee to take home. It's good stuff!

Back Onboard

1. The Love & Marriage Game Show

Couples say the darndest things, and we've got the game show to prove it. Who knows? You may be the couple we're looking for as our next contestants. Check out all the hilarity with your Cruise Director, Keith. 10:15 pm, La Scala Theatre, Decks 3 & 4 (Recommended for adults).

2. Dancing Under the Stars Toga Party

Come join us pool side for a fun filled night of music, dancing and wonderful cocktail and culinary displays by our Food and Beverage team. Highlights include music with DJ Mitch, ice carving and some light snacks to keep you energized and dancing all night with your Cruise Director's Staff. 11:00 pm, Poolside, Deck 11.

Helpful Health Information

Medical experts tell us that the best way to prevent colds, flu, or gastrointestinal illnesses such as a Norovirus that can be transferred easily through person-to-person contact – is to simply wash your hands thoroughly with soap and warm water after restroom breaks and again before eating anything.

Symptoms of Noroviruses include an upset stomach, vomiting and diarrhea. According to the U.S. Centers for Disease Control and Prevention, Noroviruses affect 23 million Americans on land each year. In fact, the only illness that is more prevalent is the common cold.

Should you experience any gastrointestinal illness, please visit the ship's medical facility for a complimentary consultation and treatment if necessary.

GET ENTERTAINED

Look inside for today's show schedule.

ENVIRONMENTAL TIDBIT

Ah, the Caribbean Sea. So blue. So clear. And Mark Ridgewell, the Environmental Officer onboard, together with the Voyager crew, ensure to keep it that way in accordance with Royal Caribbean International Environmental Program, Save the Waves®

WHY NOT go back in time for a chocolate milkshake?

Johnny Rockets® is a classic 1950's-style burger joint a true all American favorite.

Helpful Health Information – Medical experts tell us that the best way to prevent colds, flu and gastrointestinal illnesses such as Norovirus that can be transferred easily through person-to-person contact – is to simply wash your hands thoroughly with soap and warm water after restroom breaks and again before eating anything. Symptoms of Norovirus include an upset stomach, vomiting and diarrhea. According to the United States Centers of Disease Control and Prevention, Norovirus affect 23 million Americans on land each year. In fact, the only illness that is more prevalent is the common cold. Should you experience any gastrointestinal illness, please visit the ship's medical facility.

Independent Vendor Rental Advisory – Guests are cautioned against renting wave runners or mopeds in ports of call from vendors not associated with Royal Caribbean International. Unfamiliar environments, questionable personal protection devices, and unknown maintenance of equipment may result in a serious accident. For your safety, we offer trained and experienced instructors through organized shore excursions.

DAY 7 Friday, December 30, 2011

ENJOY YOUR FINAL DESTINATION AFLOAT VOYAGER OF THE SEAS.

That's right. The most exciting place to be in all of the Caribbean at this very moment is right here. Built in 1999, *Voyager of the Seas* is one of the most innovative ships around, with features like an ice-skating rink. As a citizen of our nation, you're free to roam from deck to deck and ask yourself, why not? Do everything you have wanted to do all week. Or do nothing at all. Either way, we want to make sure you enjoy your last day at sea to the fullest.

1. Captain's Corner

It's a big fantastic ship. Want to get to know her? Join our Captain and some of his Senior Officers for this informal presentation to learn more about the *Voyager of the Seas* and her crew, to be followed by a question-and-answer session. 10:45 am, La Scala Theatre, Deck 3.

2. Final Royal Jackpot Bingo

Is today your lucky day? Join us and you could be the lucky winner of the Royal Jackpot. Beat the rush and get those lucky cards early. 2:30 pm, Cards on sale, 3:15 pm, Games begin, La Scala Theatre, Deck 3.

3. Island Frenzy Parade

Join your Cruise Director Keith and the Entertainment Family of the *Voyager of the Seas*, for this great street parade. Don't miss all the fun and bring your cameras! 10:15 pm, Royal Promenade, Deck 5.

Find Your Calm Zone

- Take a nice long siesta. Or maybe just a power nap.
- Release the tension. A massage can do wonders for the mind and body.
- Chill out. By the pool. By the bar. Or just about anywhere onboard.

Helpful Health Information

Medical experts tell us that the best way to prevent colds, flu, or gastrointestinal illnesses, such as a Norovirus that can be transferred easily through person-to-person contact – is to simply wash your hands thoroughly with soap and warm water after restroom breaks and again before eating anything. Symptoms of Noroviruses include an upset stomach, vomiting and diarrhea. According to the U.S. Centers for Disease Control and Prevention, Noroviruses affect 23 million Americans on land each year. In fact, the only illness that is more prevalent is the common cold.

Should you experience any gastrointestinal illness, please visit the ship's medical facility for a complimentary consultation and treatment if necessary.

NOTICES

Helpful Health Information - Medical experts tell us that the best way to prevent colds, flu and gastrointestinal illnesses such as Norovirus that can be transferred easily through person-to-person contact is to simply wash your hands thoroughly with soap and warm water after restroom breaks and again before eating anything.

Symptoms of Norovirus include an upset stomach, vomiting and diarrhea. According to the United States Centers of Disease Control and Prevention, Norovirus affect 23 million Americans on land each year. In fact, the only illness that is more prevalent is the common cold. Should you experience any gastrointestinal illness, please visit the ship's medical facility.
